Mission Statement

The mission of the New England Baptist College is to prepare Christian men and women to serve the Lord through local Baptist churches in areas of the pastorate and associated ministries, missions, teaching and administration of Christian schools, music, church business and office management. It is the plan of this institution to provide courses of study that both academically and practically fit the students to the will of God for their lives.

Disclaimer

This catalog contains current information regarding admissions, academic requirements, regulations, and course offerings. New England Baptist College reserves the right to withdraw a course; change tuition, room and board, and other fees; change the rules regarding admission and graduation requirements; and change any other regulations affecting the student body.

Enrollment in New England Baptist College is a privilege and not a right. Students forfeit this privilege if they do not conform to the standards and ideals of work and life at the College, and the College may insist on the withdrawal of a student at any time that the student does not conform, in the opinion of the College, to the spirit of the College.

New England Baptist College does not hold, nor does it seek to hold, state accreditation of its educational programs. The College is a ministry of the Central Baptist Church, Southington, Connecticut, an autonomous, local Baptist Church and, as such, does not desire, seek, nor accept state approval. The College does not seek any other secular recognition of its programs of instruction. No student or graduate should consider his education from this college as qualifying him to hold a secular position of employment. The graduation ceremony and the presentation of documents of achievement signify fulfillment of the prescribed courses of study specifically designed to prepare servants of God for the Christian ministry in local Baptist churches.

If a student desires to transfer to another institution, it is the responsibility of the student to determine if the credits earned at New England Baptist College will be transferable. Each institution of higher learning sets its own standards and accepts credits according to the merits of the individual. New England Baptist College makes no guarantee that any course will transfer to any other institution. However, several Bible colleges and Christian colleges have accepted transfer credits from New England Baptist College. Of course, the desire of New England Baptist College is that students will complete the course of study that they initially pursue.

DR. JIM TOWNSLEY, PRESIDENT & FOUNDER

Dear Prospective Student,

2 Timothy 2:15 - *"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."*

Attending a Bible College is a life changing experience. Being surrounded with Bible preaching and teaching as well as being challenged by many godly students will help you find the will of God for your life. Important life decisions often are made during this period of life. The questions of: What will you spend your life doing? Who will you spend your life with? What are your most important priorities? All these questions and more will be influenced by the Bible College experience.

Determining to attend Bible College requires a step of faith. Usually it means leaving home and learning to depend upon God. Finances, studies, and relationships all require a student to grow and learn. I wish every Christian could attend Bible College even if it is only for one year. Our Lord said, *Therefore said he unto them, The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest.* — Luke 10:2. Everyone is not called to be a preacher, but every Christian can be a laborer in the Lord's harvest. It is my prayer that you will prepare yourself to serve the Lord.

Please call or write to me personally if I can help you with your decision to serve the Lord.

With a Heart for God,

Dr. Jim Townsley

DR. BARRY BROWN, ACADEMIC VICE PRESIDENT

Dear Prospective Student:

Education in any form must be inherently connected to the God of Creation and His inspired Word. In any honest search for knowledge and truth, the path will ultimately lead to the source of all truth and the One who is “the truth.”

At **New England Baptist College**, we believe that the Bible is the Word of God and all truth supports the biblical record. No Christian need fear truth no matter who finds it or where it is found. All genuine discoveries will agree with the record that God has preserved for us in the Holy Bible.

At **New England Baptist College**, we believe that the Bible should be applied to every course of study. All that we study is the creation of Almighty God and cannot be fully investigated or examined without consideration of the source and purpose of the truth involved. Therefore, each discipline is approached with the Creator as the author and His will for the student as the ultimate goal.

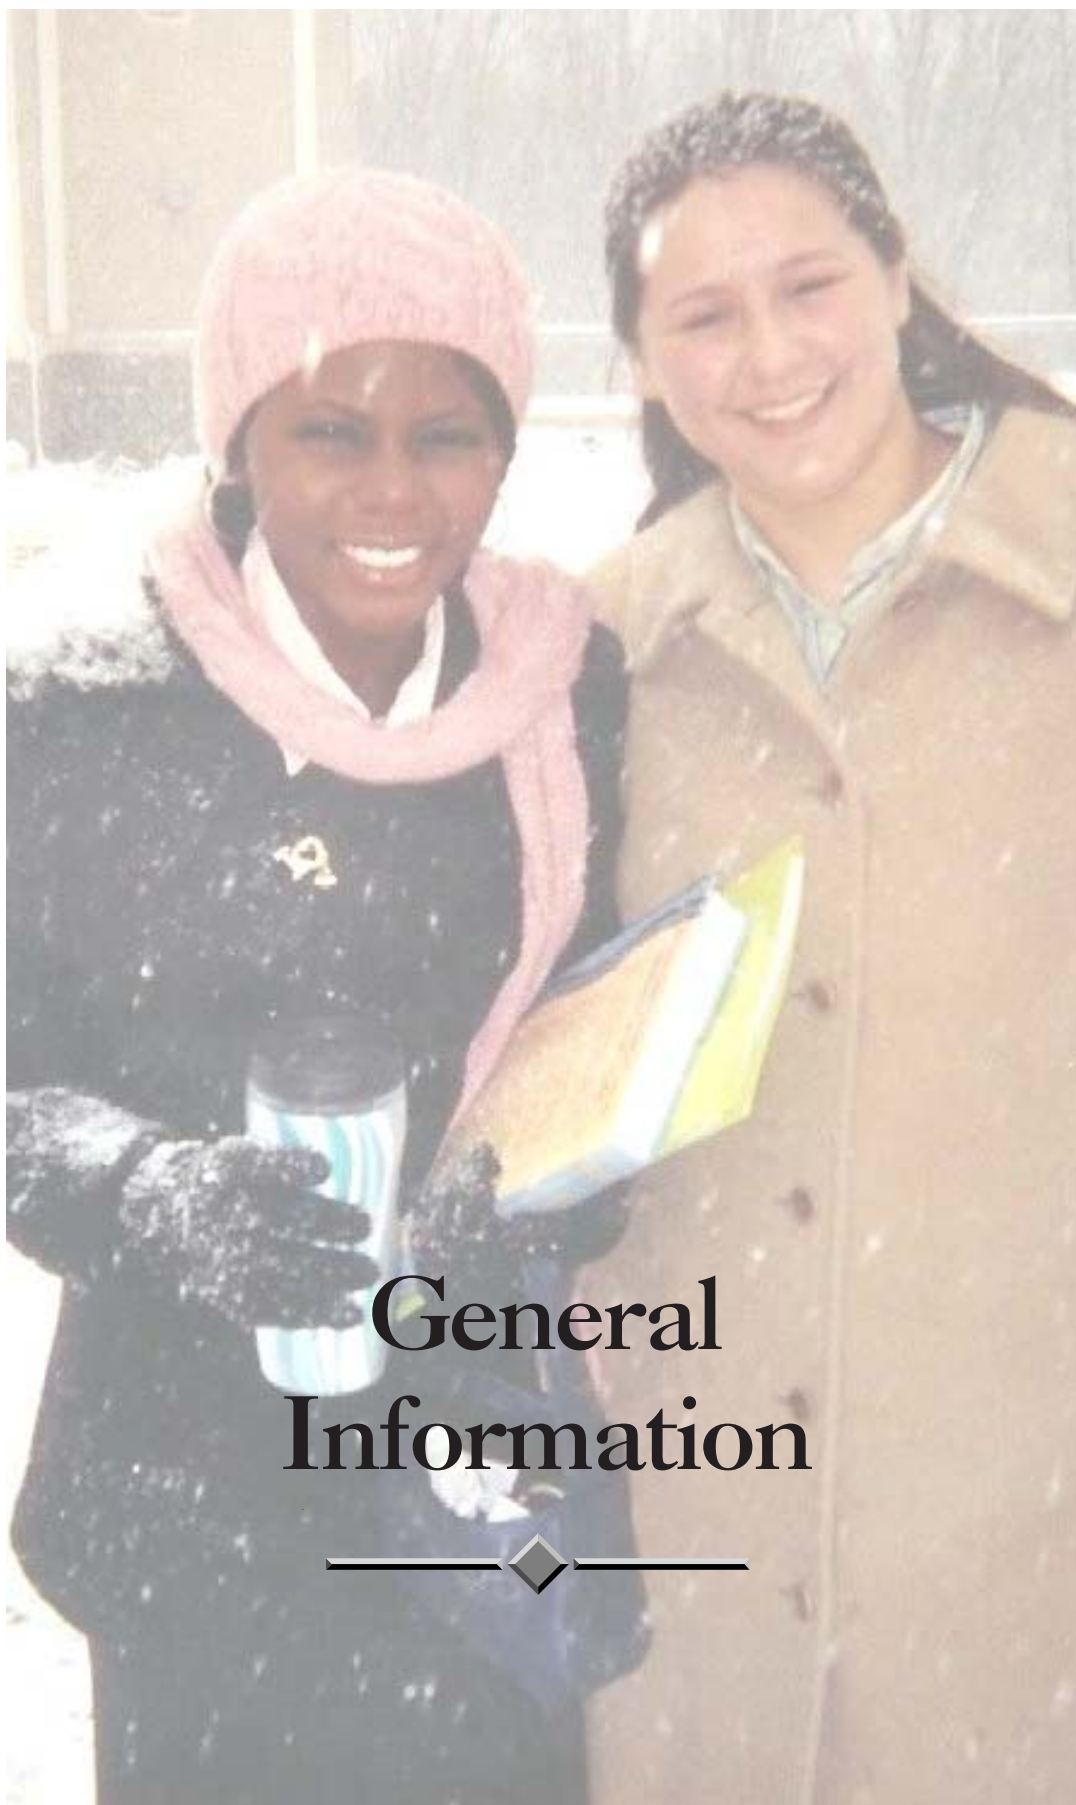

At **New England Baptist College**, we believe that God has a particular will for each person. Our instructors are convinced that teaching in this college is the will of God for them. It is our prayer that the students who attend this college will do so with the understanding that God has sent them here and that they are willingly following His leadership.

We are looking for students who want to serve the Lord with their lives. The **New England Baptist College** is established to help prepare Christians for local church ministries. If you are looking for a place where the teachers love the Lord, seek to live holy lives, win souls, and serve the Savior, begin now to pray for the will of God in your life, and you may find yourself in Southington, CT.

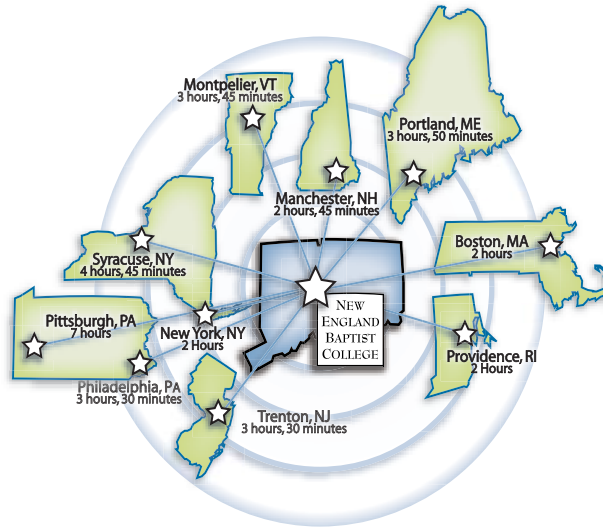

God bless you as you set out to serve Him. If you have any questions, please write to me or call me at (860) 621-6701.

Because of Calvary,

Dr. Barry Brown

Introduction

*“But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfil the lusts thereof.”
(Romans 13:14)*

Preparing for the Savior’s work is a noble endeavor; perhaps the greatest objective of the dedicated Christian life. Those who choose to surrender to the will of God are exhorted by the Scriptures to allow Him to direct every part of their lives. Leading others to this same position requires a meek and humble spirit which willingly “put[s] on the Lord Jesus Christ” so that one can say with the Apostle Paul, “*Be ye followers of me, even as I also am of Christ*” (1 Corinthians 11:1).

Christian education involves the entire life. Of course, the academics in the classroom are of great importance; however, most Bible college graduates agree that other areas of their college experience were just as significant. The chapel and church services, the opportunities for ministry, the social times, the athletic events, the dining hall conversations, the work schedules, and the dormitory relationships all comprise the complete college life experience.

Living, working, and studying with others from various backgrounds are wonderful opportunities. But in order for the entire college program to honor Christ and draw each student closer to Him, certain guidelines have been found to be advantageous. The desire of the faculty and staff of New England Baptist College is to create an environment where serious students of the Bible are continually encouraged to seek the will of God for their lives and follow it with their whole heart. It is in this spirit and for this cause that these guidelines are set forth.

Our History and Purpose

In November of 2002, God impressed Dr. Jim Townsley, the pastor of Central Baptist Church, with the vision of establishing New England Baptist College. As he shared this opportunity with the deacons and congregation, the idea of a Bible college in New England and for New England, though an enormous undertaking, was eagerly embraced by the church body. In October of 2003, the church voted to establish New England Baptist College. In subsequent months a dormitory was built and the doors opened September 7, 2004 with twenty-three students.

The goal of New England Baptist College is to train young people to minister in Baptist churches. In order to fulfill this objective, the college has specific courses of study designed to effectively prepare Christian men and women to serve our Lord through local Baptist churches in the pastorate and associated ministries, missions and evangelism, Christian school teaching, music, and church office management. One of the Bible verses that give the church this responsibility is: *And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.* — 2 Timothy 2:2

New England Baptist College stands unashamedly for the KJV Bible; for holy separation unto God and from the world; and for the fundamentals of the faith. The Great Commission of our Lord Jesus Christ (Matthew 28:18-20) is our mandate to preach the Gospel to everyone in every place.

Our Protocol

The stance of New England Baptist College is based solely in the Holy Scriptures (2 Timothy 3:16) as preserved in the King James Version and illuminated by the Holy Spirit of God (John 16:13). God, the Creator of the universe (Genesis 1:1-2:25), instructs us to “*study to shew thyself approved*” (2 Timothy 2:15) and has directed that we are to “*have dominion...over every living thing*” (Genesis 1:28). These commandments and others make the church responsible under God to train our people (Proverbs 22:6) in every area of knowledge so that they are prepared for His use in propagating the Gospel of the Lord Jesus Christ (Matthew 28:18-20). Therefore, every course of study and every individual class is designed to prepare each student to follow the Lord in some area of Christian service through the local Baptist church.

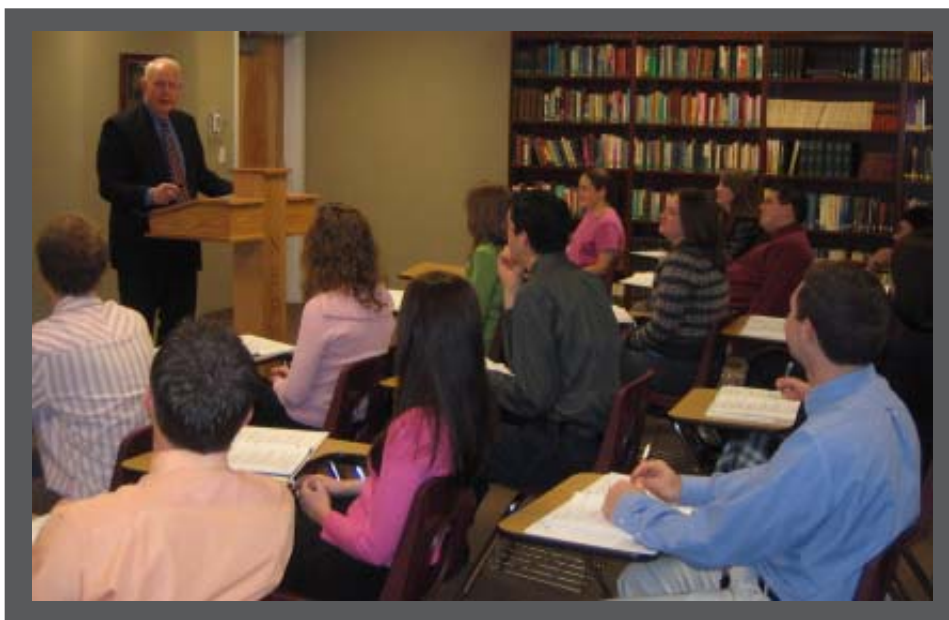

Our Practice

The key to education is the teacher. Jesus stood before the multitudes and taught them the eternal truths of the Word of God. His methods were simple, but effective; direct, but compassionate. Learning always requires time and effort. The constant feedback from student to teacher provides the mind-searching exercise which is required for lessons to become integral with the life of each student. The courses of study are designed to include strong academic experience with enough practical exercise to provide education which is easily transposed into the solutions of everyday challenges. Everything that is learned should make the Christian better able to fulfill the great commission. Only Christian teachers who are living examples of biblical Christianity, separated from the world and winning souls to Christ, are allowed to teach in New England Baptist College. Students must be members of Central Baptist Church (or a church of similar faith and practice), striving to live holy, separated lives, and participating in weekly soul winning ministries.

Our Promise

Although we cannot promise that those who study at New England Baptist College will succeed in the ministry, we can promise that each student will have the opportunity to learn from Christian teachers, in a Christian environment, truth from the Word of God. Our teachers and staff are dedicated to the task of helping students learn how to win souls, teach Sunday school classes, hold Bible studies, preach sermons, lead youth groups, direct children's church, operate bus routes, serve as missionaries, teach in Christian schools, work as secretaries, direct music programs, or minister in many other areas.

New England Baptist College does not hold, nor does it seek to hold, state accreditation of its educational programs. The college is a ministry of the Central Baptist Church, Southington, Connecticut, an autonomous, local Baptist church and, as such, does not desire, seek, nor accept state approval. The college does not seek any other secular recognition of its programs of instruction. No student or graduate should consider his education from this college as qualifying him to hold a secular position of employment. The graduation ceremony and the presentation of documents of achievement signify fulfillment of the prescribed courses of study specifically designed to prepare servants of God for the Christian ministry in local Baptist churches.

Statement of Faith

We believe that each word in the Bible is inspired by God and that it is the final authority in all matters of faith, doctrine, and practice. We believe that the Bible reveals God, the fall of man, the way of salvation, and God's plan and purpose through the ages. All faculty, students, and chapel speakers will use the King James Version of the English Bible.

We believe that there is only one true living God, existing in three persons: God the Father, God the Son, and God the Holy Spirit.

We believe in the deity, virgin birth, and bodily resurrection of Jesus Christ.

We believe that salvation is "by grace", plus nothing and minus nothing. The conditions to salvation are repentance and faith.

We believe that men are justified by faith alone and are accounted righteous before God only through the merit of our Lord and Saviour Jesus Christ.

We believe in the personal, visible, and premillennial return of our Lord Jesus Christ.

We believe in the everlasting conscious blessedness of the saved and the everlasting conscious punishment of the lost.

We believe that the Holy Spirit convicts of sin, converts the repentant, seals God's children and endues them with soul-winning power.

We believe the so-called charismatic experience is both a doctrinal and practical error and therefore, neither to be sought nor practiced.

We believe in the independence of the local church as an autonomous company of baptized believers. It is the divinely created agency through which God allows believers to keep the ordinances, enjoy fellowship, and evangelize the lost.

We believe because of the current trends in theology, that as a fundamental college, we must take a separatist stand regarding teachings that lead to the discrediting of the Bible and the undermining of the fundamentals of the faith. These errant doctrines include Neo-Orthodoxy, Neo-Evangelicalism, Ecumenicalism, Hyper-Calvinism, and the Charismatic Movement.

We believe that the so-called contemporary music movement is unscriptural. Traditional hymns and conservative gospel music will be used exclusively in the church services, chapel programs, and the music departments of the church and college.

We believe that man was created in holiness as biological male and female. We believe that God has commanded that no intimate sexual activity be engaged in outside of the marriage between one naturally-born biological man and one naturally-born biological woman.

Note: The above statements comprise a summary of the more exhaustive Central Baptist Church Statement of Faith. The complete document is available from the College Office.

Admissions Information

Admissions Procedures

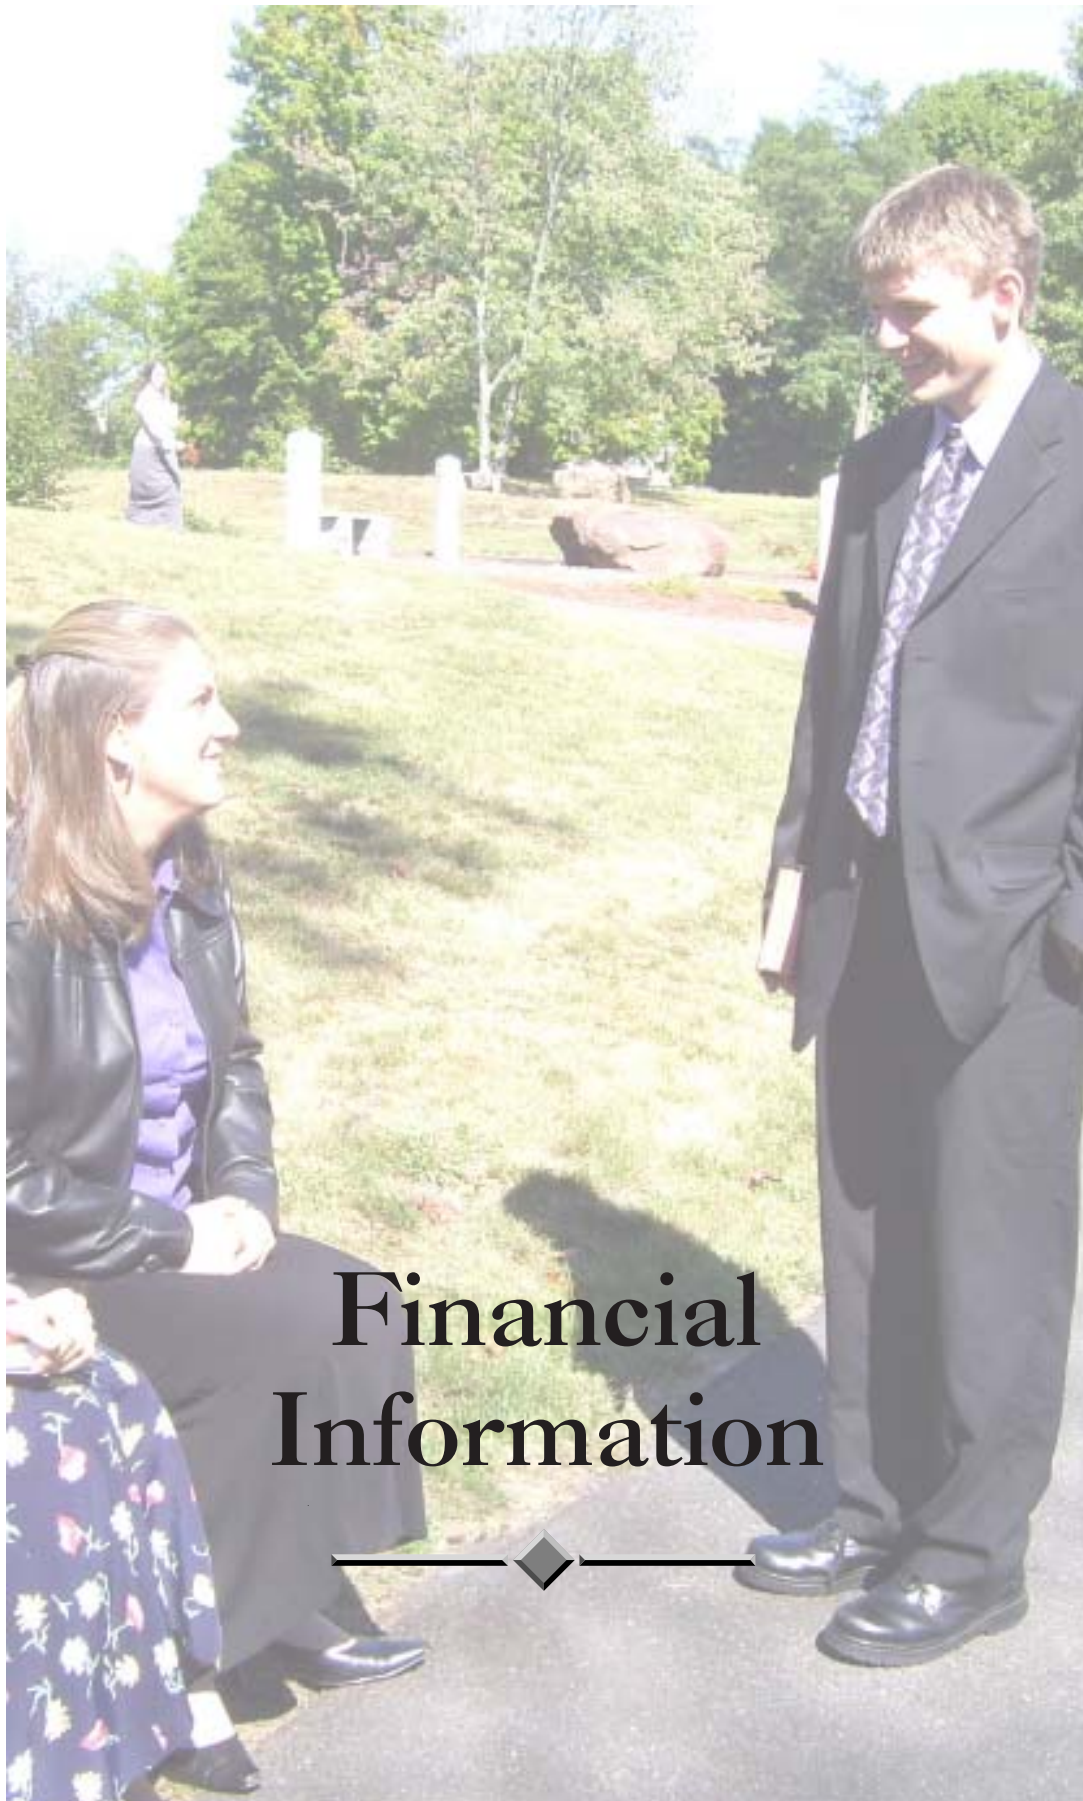

After completing and sending in your application (See pages 82 & 83), we will send you several forms to complete for acceptance. All of these forms may be found on our website at www.newenglandbaptistcollege.com.

1. Complete the **STUDENT INFORMATION FORM**.
This survey will aid us greatly in providing opportunities for you to serve the Lord while you attend New England Baptist College. Please fill out the survey completely and return it to New England Baptist College.
2. Request your academic records with the **TRANSCRIPT REQUEST**.
Request that the high school you graduated from send an official copy of your high school academic record showing the date of graduation. If you have completed the GED, the official scores must be sent to New England Baptist College. If you are presently completing your final semester, request that your official transcript be sent after the final grades are recorded. If you are applying to transfer from another college or university, follow the instructions on the **TRANSCRIPT REQUEST**.
3. Distribute the **PASTOR'S RECOMMENDATION** and both **GENERAL RECOMMENDATION** forms. All applicants must have these three forms completed as instructed and returned to New England Baptist College.
4. Complete the **STUDENT HEALTH PROFILE**.
This form must be completed by the applicant and returned to New England Baptist College. It must be received prior to your acceptance.
5. Any dormitory student desiring to be considered for the **WORK SCHOLARSHIP** program must complete the included request form. It would be helpful to submit the form at least two weeks before registration day.

Unless you are applying to transfer from another college or university, please request to have your SAT/ACT scores sent to New England Baptist College.

We are honored that you would consider New England Baptist College as your place of training. Once the Admissions Office has received the forms listed above, a decision will be made concerning your acceptance. A letter regarding your status will be sent to you as soon as the admissions procedure has been completed.

New England Baptist College does not discriminate against any applicant, student or employee, for reasons of race, color, national origin, age, or handicap in its admissions or other programs. (See page 82).

Standards of Conduct and Dress

The purpose of the New England Baptist College is to prepare Christians to serve as leaders in various Baptist Church ministries, leading others toward righteousness and holiness. Leaders, by the very definition, must be willing to exhibit standards of conduct that are above reproach and that will not cause others to stumble.

Leadership requires sacrifice, determination, humility, and the application of scriptural principles to one's life. It is important that each student willingly follow the rules and guidelines set forth by the New England Baptist College.

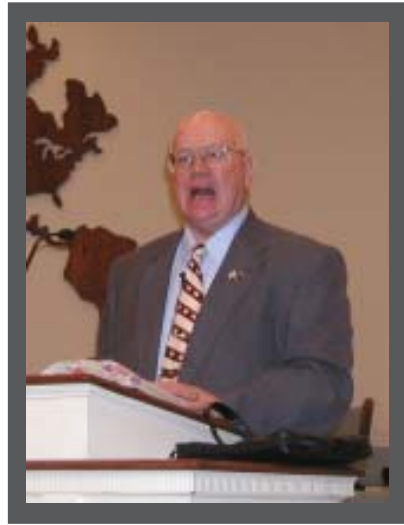

Among the rules are these:

1. Students will attend church services Sunday morning, Sunday evening, and Wednesday evening each week at the Central Baptist Church (or other approved church).
2. Students will go soul winning at least two hours each week.
3. Students will serve in the ministry of the Central Baptist Church (or another approved church) in some Christian service capacity each week.
4. Ladies will wear skirts or dresses which are no shorter than the bottom of the knee when sitting or standing. Skirts will not be slit higher than the bottom of the knee.
5. Men will wear dress shirts and ties to class.
6. Men will be clean-shaven and have an appropriate masculine haircut (off the collar and ears, tapered on the sides and in the back).
7. Faddish hairstyles are unacceptable for ladies or men.
8. Men are not to wear earrings, necklaces or bracelets with the exception of medical identification bands.

A complete set of rules is available in the Student Handbook.

Chapel Services

Our Bible college students have the privilege of hearing from men who are building great churches. Over 150 different preachers have preached in college chapel services. Church planters, veteran pastors from across the Northeast, and missionaries from around the globe are scheduled to preach in every chapel service. These faithful men of God bring with them their ministry experience, Bible knowledge, and Spirit-filled sermons which make every chapel unique and challenging. Students often testify that their lives have been changed and the will of God made clear because of the preaching of the Word of God.

Traveling Singing Groups

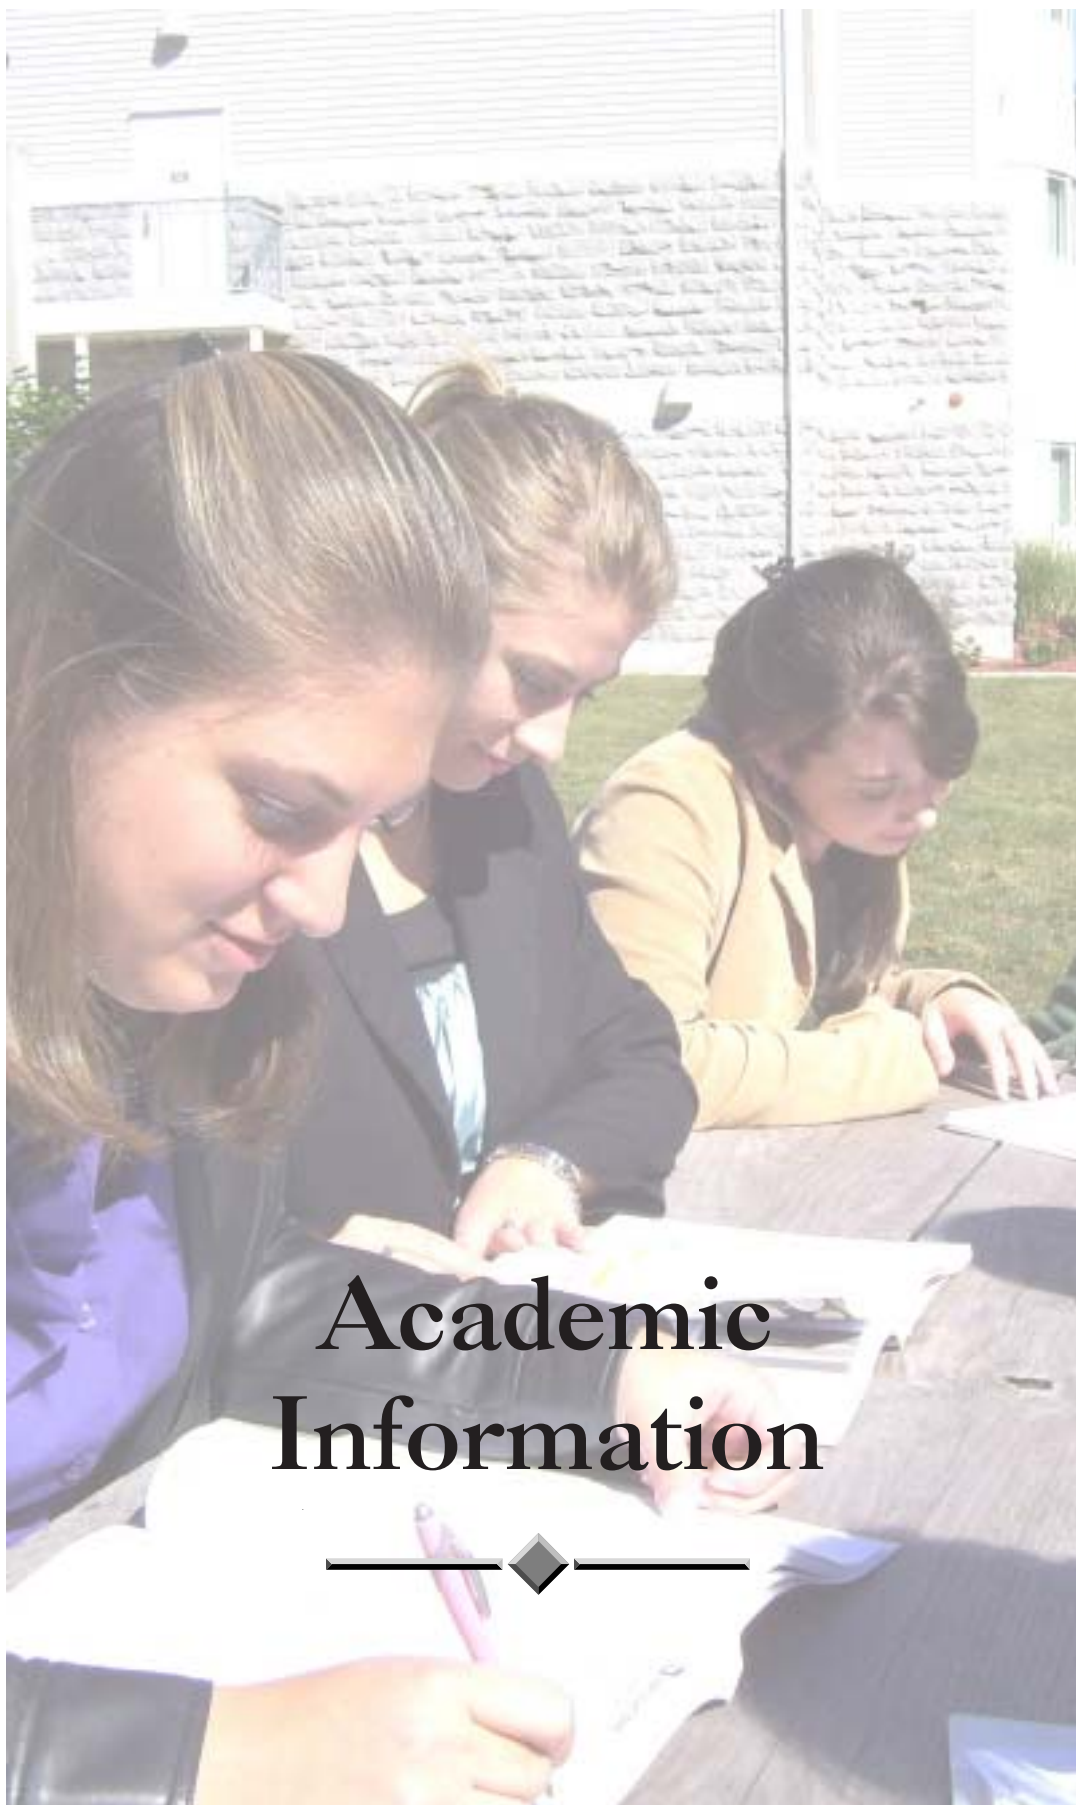

Several opportunities are available in the music department. Our college choir and singing ensembles represent the college in churches, Christian schools, and conferences.

Athletics and Special Activities

Students enjoy activities each month. Hiking, bowling, mini-golf, sledding, classical concerts are among the activities planned. Our college basketball team competes each year, providing the students with exciting games. The Christmas Banquet and Valentine Banquet are favorites.

Academic Information

General Information

1. Students must obtain permission from the Administration to leave campus if they will be absent during scheduled classes or chapel.
2. Extra-curricular programs and functions must be approved in advance by the Administration.
3. Students must purchase all required materials for their courses. Instructors will determine if students have all required materials by the second Monday after classes begin.

Class Absences

Class attendance and participation are vital to the learning process. All students are expected to attend all chapel services and scheduled class sessions of the courses in which they are enrolled.

1. Students will be permitted class absences equivalent to twice the number of times the class meets per week. Students whose absences exceed two times the number of class meetings per week, will risk failing the course. Teachers are allowed to deduct two percentage points from the final grade for each absence over the allowed amount.
2. If a student has a class on a chapel day or is on campus, he must attend chapel.
3. Late registration for any semester requires special permission and the payment of the late registration fee.
4. No absences apart from illness are allowed during special church or college meetings (i.e. Bible Conference, Missions Conference, etc.).
5. A “go-home” schedule is published each semester.

Tardiness

1. A student is considered tardy if he enters the classroom after class has begun.
2. Students who are tardy must check with the instructor after class to make sure he has not been counted absent.
3. Three tardies equal one absence.
4. Habitual tardiness may be addressed with demerits.

Grading System

A	4.0	93-100
B	3.0	86-92
C	2.0	76-85
D	1.0	66-75
F	0.0	65-58

I	Given when a student has failed to complete class work on time.
W	Withdrawal from a course within the first three weeks.
WP	Withdrawal with a passing grade after the first three weeks.
WF	Withdrawal with a failing grade after the first three weeks.
AU	Auditing a class, no credit is earned.
CR	Given when a student receives credit for a course through testing.
RD	Course was repeated to raise low grade.
RF	Course was repeated to raise failing grade.

Courses marked I, W, WP, or AU are not calculated in the grade point average. Courses will be marked with W, WP, or WF upon voluntary withdrawal only. The student may not have more than 90 days to complete the requirements set forth by the instructor.

The grade point average is computed by dividing the total grade points earned by the total hours attempted. An average of "C" is required for graduation from New England Baptist College. Therefore, a student must have an accumulative grade point average of at least 2.000 to graduate.

The grade point average is based on the courses completed at New England Baptist College. Courses transferred from other institutions are not counted into the grade point average. Only those students who complete at least 80 credit hours at New England Baptist College will be considered for the honors of valedictorian and salutatorian.

Graduation with Honors

Cum Laude	3.25-3.49 grade point average
Magna Cum Laude	3.50-3.74 grade point average
Summa Cum Laude	3.75-4.00 grade point average

Classification of Students

Students are classified at the beginning of each school year by the following standard:

Freshman	0-32 semester hours
Sophomore	33-64 semester hours
Junior	65-96 semester hours
Senior	97-128 semester hours

Academic Load

Students planning to complete their course of study in four years must typically enroll in a minimum of 16 credit hours per semester. A student is considered “full-time” if he is enrolled in at least 12 credit hours.

Academic Probation

Students who have a GPA of less than 1.5000 at the end of any semester will be placed on Academic Probation and be required to enroll in a reduced class load the next semester. Students who complete two consecutive semesters on Academic Probation without improvement may be required to sit out one semester, at the discretion of the Administration.

Registration

Registration is held at the beginning of each semester. The student is expected to choose his courses and arrange his class schedule with the assistance and approval of an academic advisor. Returning students may pre-register for the upcoming semester at a time announced in the previous term. A student cannot register without official acceptance.

Transcripts

New England Baptist College student transcripts are released only at the written request of the student. Transcripts will not be released until all financial obligations have been finalized. A \$5 fee may be charged.

CHOIR PRACTICE

A WORD FROM THE MUSIC DEPARTMENT

Private lessons are available to all students and are crucial times of personal musical development. Experienced and well-qualified instructors encourage and guide students to develop their singing and/or playing.

Recitals are the culmination of the student's work. This gives others the chance to enjoy and be blessed by the student's progress. Senior recitals are required of all music majors. A shared recital is required for those students choosing to demonstrate a proficiency in music.

Music majors will take private lessons each week every semester. These lessons will be 45 minutes in length and at least ten hours of practice is required each week. Those students with a music proficiency take lessons for at least four semesters. These lessons will be 30 minutes in length and at least seven hours of practice is required each week. Non-music students who choose to take lessons will have 30 minute lessons and be required to practice at least four hours each week.
